

VANDERLOC FURNITURE

Aftercare Instructions

next

Regularly wipe both the interior and exterior surfaces with a damp cloth.

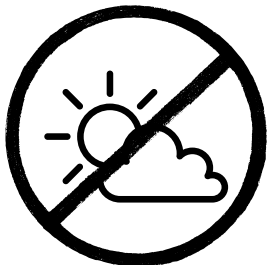

Avoid excess water exposure on any part of the furniture.

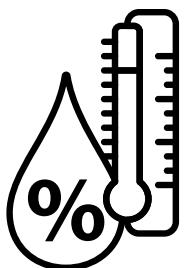

Refrain from using harsh chemicals like bleach, paint thinner, lacquer thinner, or acetone.

Do not apply furniture polish to any surface of the furniture.

Do not expose to outdoor elements or weather.

Ensure that the indoor humidity levels remain between 40% and 60% to ensure the furniture's long-lasting functionality.
